### **Pokémon Ecology Series: Behaviors**

Decatur, IL – The Macon County Conservation District invites you to **Pokémon Ecology Series: Behaviors**. This exciting and family fun event will be on **Saturday, March 25<sup>th</sup>** from **2 to 3 p.m.** at the **Rock Springs Nature Center**. The program is free, just **register online by March 24<sup>th</sup>**.

The world of Pokémon includes over 900 in-game species, and many of these species have real-world counterparts. In this program, we will look at the behaviors of animals in our world and compare them to the behaviors of creatures from Pokémon. An afternoon of hearing about the creatures of Pokémon and the creatures of our world will be fun and a great opportunity to learn!

**15 Second PSA:** Join the Macon County Conservation District on **Saturday, March 25<sup>th</sup>** from **2 to 3 p.m.** at the **Rock Springs Nature Center** for **Pokémon Ecology Series: Behaviors**. We will discuss the behavior of Pokémon and their real world-counterparts. This program is free, just register online by March 24<sup>th</sup>.
