

From: Native Instruments

Subject: Enhance your workflow with a smart midi controller

Body:

KOMPLETE KONTROL A-SERIES

A Faster, Smarter Workflow

Komplete Kontrol A-Series MIDI controllers let you browse, edit, and record sounds hands-on and quickly.

Find the Right Preset

Use the encoder and OLED screen to search through intuitively organized presets.

Edit it to Your Liking

Adjust parameters like filter cutoff or tone using 8 pre-mapped knobs.

Play with Confidence

Record your ideas on a semi-weighted and responsive keybed.
